SHIELD

Soaring High in Education and Learning Development

Spartanburg Christian Academy recognizes that every child has been created by God in His image and that learning takes place in a variety of ways. SCA seeks to meet all students where they are academically and help them to progress and meet their full potential. SCA's SHIELD Program is an academic support program to help assist the specific needs of students with learning differences. Our goal is to provide our students the tools and strategies they need to be successful in the classroom. We also encourage student to recognize their strengths and abilities so they may use these talents to grow spiritually, academically, and socially. The Shield teacher will work with teachers and parents to suggest educational accommodations in the classroom and monitor the student's academic progress. During this time, the Shield teacher will reinforce and reteach skills that were taught in the general classroom. By partnering with teachers and parents, SHIELD helps create a bridge between learning and success. As always, Spartanburg Christian Academy serves as partners with parents in providing an excellent education consistent with biblical truth.

Grants Received**

**Application for Continued Participation
Educational Credit for Exceptional Needs Children (ECENC) Program
2018-2019**

Independent School Name: Spartanburg Christian Academy

An independent school continuing to participate in the Educational Credit for Exceptional Needs Children for Fiscal Year 2018-19 is required to submit the following information:

Total number of grants and total amount of grants received in the preceding fiscal year, from July 1, 2017 through June 30, 2018.

Please complete the following chart. If no grants for any qualifying student were received from Exceptional SC in Fiscal Year 2017-18, please indicate with "0" grants received and "\$0" in total amount of grants received.

Total Number of Grants Received	Total Amount of Grants Received
0	\$ 0

Total number of grants is the number of individual children/students who received a grant even if the school received more than one grant for a specific child/student. The total amount of grants per child/student should not have exceeded \$11,000.

Application for Continued Participation
Educational Credit for Exceptional Needs Children (ECENC) Program
2018-2019

Independent School Name: Spartanburg Christian Academy

An independent school applying for continued participation in the Educational Credit for Exceptional Needs Children Program for Fiscal Year 2018-19 is required to submit the following information **by December 31, 2018**:

Student test scores, by category, on national achievement or state standardized tests, or both, for all grades tested and administered by the school receiving or entitled to receive scholarship grants pursuant to this section in the previous school year. The school shall also provide individual student test scores on national achievement or state standardized tests, or both, for any student in grades one through twelve who received a grant from the program during the prior school year. The information must be used to provide program level reports to determine whether students participating in the program have experienced measurable improvement. Students with disabilities for whom standardized testing is not appropriate are exempt from this requirement.

Section 12-6-3790(E)(1)(b)

The information will be used to issue an annual report.

Annually, the Education Oversight Committee shall issue a report to the General Assembly documenting the impact of the Educational Credit for Exceptional Needs Children Program on student achievement. In addition, the report must include information on individual schools if at least fifty-one percent of the total enrolled students in the private school participated in the Educational Credit for Exceptional Needs Children Program in the prior school year. The report must be according to each participating private school, and for participating students, in which there are at least thirty participating students who have scores for tests administered. If the Education Oversight Committee determines that the thirty participating-student cell size may be reduced without disclosing personally identifiable information of a participating student, the Education Oversight Committee may reduce the participating-student cell size, but the cell size may not be reduced to less than ten participating students.

Section 12-6-3790(E)(6)

Schools applying for continued participation in the ECENC Program must provide the following:

- 1. School-level assessment results** for school year 2017-18 on national achievement tests for all grades tested in the school and for each grade with at least 10 students tested. Information should be provided for English language arts (reading) and mathematics achievement of students in the grade. Examples include: *TerraNova*, *Stanford 10*, *Iowa Test of Basic Skills*, etc. For grades 9-12, the school may provide average PSAT, SAT, ACT, or other scores as appropriate.

For schools that specifically exist to meet the needs of only exceptional needs students with documented disabilities, the EOC will work with the schools to provide information (including formative assessments, portfolios, etc.) that document the students' academic and social development.

How many students were enrolled in your school in 2017-18? 374

The following is a **template** that you may use for reporting purposes. For questions, contact the EOC office.

- 2. Individual student test scores** on national achievement tests for any child who received a grant from the program during the 2017-18 school year. No personally identifiable information will be published; instead, the information will be aggregated at the school or state level as stipulated in law.

Each school will have access to a secure data portal to upload individual student assessment results, which will include personally identifiable information. The portal will capture, at a minimum, the following information:

- Name of the student who received a grant from Exceptional SC in the prior school year along with data including date of birth, sex, grade level, etc. to ensure that the assessment results can be matched to the individual student who received a grant;
- For each student who received a grant, the results of a national assessment or assessments in 2017-18 and if possible, in 2016-17 as well to document academic growth. The name of the assessment as well as scale scores for students or national percentile ranks must be included; and
- If a student received a grant but due to the student's exceptional needs was not able to be assessed with a national assessment, the school must provide an explanation by student of the reason why a national assessment was not administered and how the school is measuring academic and personal growth for each student not assessed.

Please identify one staff person from your school who will provide the individual student test scores from this school:
